### **Mission Conference – Sunday Morning and Evening, April 26, 2026**

Since 2019, we have discovered how to be strong and courageous by sharing the Good News of Jesus Christ throughout the world. In 2026 we invite you to join us for the 7th Western Blue Ridge Baptist Network Mission Conference. Join us as we spread God's peace in a broken world and support each other in the work of the Kingdom of God. Let's come together and be inspired to be the Body of Christ.

Missionaries from the International Mission Board and North American Board of the Southern Baptist Convention, along with Baptist General Association of Virginia representatives will be speaking at the Network churches during Sunday morning and evening services, as scheduled. Churches may choose what service(s) to have a speaker at their church. When a church chose to sponsor a service, they are responsible for providing a meal (church wide or individually) before or after the service for the missionary and taking a love offering during the service. (All love offerings will be pooled together and split evenly between all the missionaries that come to the conference.)

The Network is responsible for the missionaries' travel expenses (from their home to here, around the area and back home), lodging, and expenses while at the conference. Churches that are located close to each other may share the experience of sponsoring a service or services. Each church is responsible for their own promotion and publicity.

The following churches have indicated they wish to have a missionary speaker either at the Sunday morning services or an evening service:

Austinville (M & E) Belspring (M) Cambria (M & E) Floyd (M) Wytheville (M-BGAV)

If you are interested in sharing in this experience and your church is not listed, please notify Charles Damron, text or call - (540) 250-4979 or email [cfdamron@gmail.com](mailto:cfdamron@gmail.com) not later than Friday, October 10, 2025. I cannot make plans for you if I do not know what plan you want.

Blessings,

Charles Damron
